About Hartford's Camp Courant

Hartford's Camp Courant is the oldest and largest FREE summer day camp in the nation. We provide a safe, exciting and educational environment in which Hartford's youth, ages five (5) through 12, participate in active learning opportunities and fun activities focused on positive youth development. As we head into our 129th year, we are excited to offer an additional Spring Program for the first time, in which children will join us during their week off from school. As a youth development organization, we combine traditional camp activities such as swimming, arts & crafts and sports with over a dozen enrichment programs that expose our campers to ideas and opportunities which spark their imaginations and inspires them to be their best in a safe, nurturing, fresh-air setting.
