

Dear Parents and Guardians,

We hope everyone had a happy new year and is having a great start to 2026!

With summer fast approaching, we are writing to inform you of **several changes** to Camp Courant's spring and summer programs as well as the registration process this year:

First and foremost, we regret to inform you that there will be **no camp session during spring break this year**. We know that this week of programming has been a valued resource while Hartford schools are on April break, and we are truly sorry to not be able to offer it this year. It is our hope that we can bring this program back next year.

Regarding summer registration, please note that **registration for summer camp will open on March 1st and close when capacity has been reached**. Unfortunately, our summer camp capacity will be reduced this upcoming season. While we normally have a capacity of 750 campers per day, **we will be reducing that number of campers to 300 in 2026**. Additionally, we have made the difficult decision **to increase our application fee to \$125 per child**.

We understand that these changes may heavily impact your family this summer, and we apologize for any inconvenience these changes may cause. It is our goal that these changes are not permanent.

However, **our partnership with Care 4 Kids, a program that offers financial reimbursement for childcare costs, remains in place**. Please click [HERE](#) for more information and email Nicole at nrobinson@campcourant.org with any questions regarding Care 4 Kids. Please be advised that processing times for Care 4 Kids may vary, so it is best to apply sooner rather than later.

Thank you all for your patience and understanding as we navigate these changes this year. Again, we understand the impact this may have and are more than happy to answer any questions you may have. **If you have questions, please feel free to reply to this email, call our main office, or email Candice at ccolon@campcourant.org**.

We will send a follow up email once our registration is open. We look forward to working with you and your children again this summer!

Sincerely,

The Camp Courant Team
